

MINUTE™ STOOL

Seating

MARCO™
Environments for Learning

Sit for a moment. Stay for what matters.

The Minute Stool is designed for quick comfort and easy access—perfect for those in-between moments of learning. Available in multiple sizes, it supports different postures, from a fast perch to a focused sit. Its open design allows students to slide in from any side, keeping transitions smooth and natural.

With built-in storage below, backpacks and books stay neatly stashed and out of the way. Lightweight yet durable, the Minute Stool proves that even the simplest seat can shape a better classroom. Smart seating for every learning minute.

FEATURES

- Polypropylene seat
- Oval shaped steel legs with powder coat finish
- Height adjustable from 24" to 30" seat height
- Steel wire basket with powder coat finish
- Self-leveling nylon glides
