

# Where Learning Takes Shape.

**The 360 Classroom™—  
furnished to flex.**

**Products designed to support movement,  
change, and flow.**

The 360 Classroom™ is made possible by Marco's complete portfolio of thoughtfully designed furnishings. Tables, seating, storage, and mobile elements work together to create a classroom that can be easily reconfigured as needs change throughout the day. With Marco products supporting the space, teachers and students can move, shift, and adapt—without disruption. One cohesive solution. One trusted partner. Endless flexibility.
