Built for connection. Ready for collaboration.

Marco Meeting Tables are made to support conversation, teamwork, and group learning—wherever it happens. Available in two tabletop shapes and multiple sizes, they're a flexible solution for classrooms, conference rooms, and common areas.

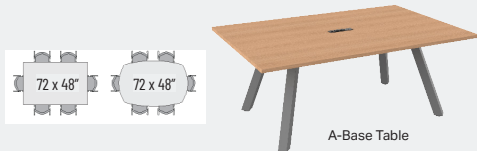

Choose from three durable base styles to match your space and style: a laminate H-base for a clean, unified look, or sturdy metal T-base and A-base options with a sleek black powder coat finish.

H-Base Table

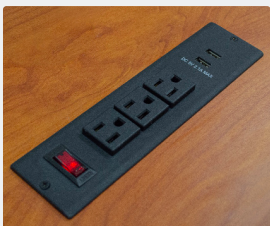

T-Base Table

A-Base Table
