Because a well-organized library keeps the whole program in tune

The Bandstor Music Library System makes it easy to sort, store, and access sheet music for every section, ensemble, or concert cycle. With durable folio cabinets, flexible configurations, and a clean, professional look, it brings harmony to even the busiest music rooms.

Smart storage for the materials that move your program forward.

Some assembly required. Sold by individual unit. Photo shown here with 4 combined units.

FEATURES

- High-density slide out design
- Organizes music in an easy-to-find system
- Roll-out design creates a clean, organized appearance
- Accommodates most music filing boxes, end-tab file folders and envelopes
- 20 feet of shelf space
- Available in left or right side access
