

T-LEG DESKS & TABLES

Tables

Clean lines. Solid performance.

With a sleek profile and durable construction, Marco's T-Leg Desks and Tables are a smart fit for any learning space. Adjustable height legs, pre-drilled tops, and easy-to-level glides make setup simple and daily use dependable. Strong, streamlined and built to support students at every level.

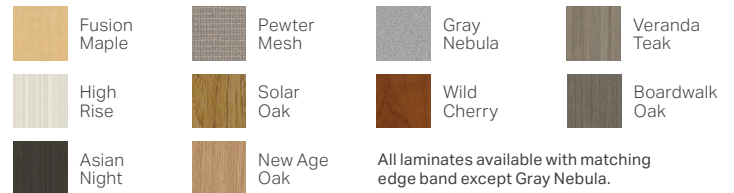

FEATURES

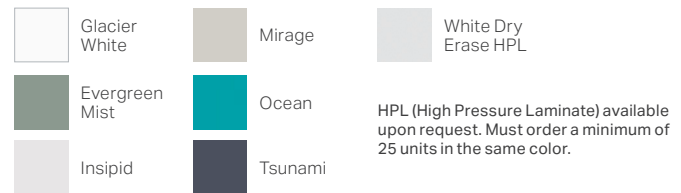

- Top constructed of 1-1/8" particleboard with thermally fused melamine surface on both sides
- Thermally fused 3mm PVC edge banding
- Steel leg frame with gray powder coat finish
- Lower adjustable legs are tapped at 1" intervals for adjustment from 22" to 30" tabletop heights
- Adjustable nylon glides allow for easy floor leveling
